

Hancock County Head Start's  
Family & Friends Day 2017

# Surf's Up!

On Friday, May 26, 2017, Hancock County Head Start hosted Family & Friends Day at the M.E. Lewis Elementary playground area. Family and friends accompanied Early Head Start/ Head Start & Pre-K children as they engaged in physical development and fun activities. The children ran from base to base and learned the significance of good sportsmanship as they played T-Ball.

During the T-Ball game, there was also fun on the beach. The beach scene was garnished with tents, sand, beach balls, beach pails and shovels, and a tiki refreshment bar (snow cones/ slush, water, etc.). The main attractions were the water slides, bounce houses, and DJ Woody Bandz as he played an array of great music. The children's day ended with a scrumptious meal by The Real Deal. Family & Friends Day was a success indeed! View more pictures from the event on our Facebook page: [facebook.com/hancockcountyheadstart](https://facebook.com/hancockcountyheadstart).
